Expires: 05 January 2021

INCINERATOR

IMO Type Approval Certificate for Shipboard Incinerators with capacities up to 4,000 KW

TERRAGON ENVIRONMENTAL TECHNOLOGIES, INC.  
651 rue Bridge  
Montreal Quebec H3K 2C8 CANADA

Incinerator manufactured by: Terragon Environmental Technologies, Inc.  
Style, type or model: MAGS MV8.0

This is to certify that the shipboard incinerator listed has been examined and tested in accordance with the requirements of the Standard for Shipboard Incinerators for disposing of ship-generated waste appended to the Guidelines for the Implementation of Annex V of MARPOL 73/78 as amended by resolution MEPC.244(66) and referenced by regulation 16 of Annex VI to MARPOL 73/78.

Max Capacity:	112kW; 25 kg/h of specified waste; 12.4 kg/h sludge.
O2 average in combustion chamber/zone:	9.4%.
CO average in flue gas:	50.2 mg/MJ.
Soot number average:	0 Ringlemann scale.
Combustion chamber flue gas outlet temperature average:	1077 degrees C.
Amount of unburned components in ashes:	<1% by weight.

A copy of this certificate should be carried on board a vessel fitted with this equipment at all times. IMO Certificates of Type Approval do not expire. The expiration date above is for the manufacturer of the equipment only. As long as the device is installed during the period of validity of this certificate and continues to meet the requirements of Annex V it is approved.

This certificate documents compliance with 46 CFR 63.25-9.

\*\*\* End \*\*\*

THIS IS TO CERTIFY THAT the above named manufacturer has submitted to the undersigned satisfactory evidence that the item specified herein complies with the applicable laws and regulations as outlined on the reverse side of this Certificate, and approval is hereby given. This approval shall be in effect until the expiration date hereon unless sooner canceled or suspended by proper authority.

GIVEN UNDER MY HAND THIS 06<sup>th</sup> DAY OF  
JANUARY 2016, AT WASHINGTON D.C.

S. T. BRADY  
Chief Engineering Division  
BY DIRECTION OF THE COMMANDANT

**TERMS:** The approval of the item described on the face of the Certificate has been based upon the submittal of satisfactory evidence that the item complies with the applicable provisions of the navigation and shipping laws and the applicable regulations in Title 33 and/or Title 46 of the Code of Federal Regulations. The approval is subject to any conditions noted on this Certificate and in the applicable laws and regulations governing the use of the item on vessels subject to Coast Guard inspection or on other vessels and boats.

Consideration will be given to an extension of this approval provided application is made 3 months prior to the expiration date of this Certificate.

The approval holder is responsible for making sure that the required inspections or tests of materials or devices covered by this approval are carried out during production as prescribed in the applicable regulations.

The approval of the item covered by this certificate is valid only so long as the item is manufactured in conformance with the details of the approved drawings, specifications, or other data referred to. No modification in the approved design, construction, or materials is to be adopted until the modification has been presented for consideration by the Commandant and confirmation received that the proposed alteration is acceptable.

**NOTICE:** Where a manufacturer of safety-at-sea equipment is offering for sale to the maritime industry, directly or indirectly, equipment represented to be approved, which fails to conform with either the design details or material specifications, or both, as approved by the Coast Guard, immediate action may be taken to invoke the various penalties and sanctions provided by law including prosecution under 46 U.S.C. 3318, which provides:

"A person that knowingly manufactures, sells, offers for sale, or possesses with intent to sell, any equipment subject to this part (*Part B. of Subtitle II of Title 46 U.S.C.*) and the equipment is so defective as to be insufficient to accomplish the purpose for which it is intended, shall be fined not more than \$10,000, imprisoned for not more than 5 years or both."
